GRAPPA DELL'ALCHIMISTA DI FAMIGLIA

MONTANARO

DISTILLERIA FONDATA NEL 1885

LE GRAPPE: I TESORI

GRAPPA OBTAINED FROM A CHOICE OF PRESTIGIOUS SELECTED MARCS FROM LOCAL VINEYARDS.

It is the grappa created by our master distiller. He uses a blend of various distillates from which he is able to create a unique grappa, which differs from year to year. It has an intense clear colour and a clean and fruity perfume, in the mouth this grappa releases its roundness and smoothness. It is a product easy to drink and very elegant.

RAW MATERIAL

Marcs from local vineyards.

DISTILLATION AND PRODUCTION CYCLE

by batch (discontinuous), distillation in small copper “boiler” and separation of good alcohol from methyl alcohol using double column

Distilled according to the Montanaro traditional method.

Refinement in oak barrels for about 36-48 months.

TASTING NOTES
